

Need To Hire An Experienced Business Speaker?

Corporations throughout North America call on Linda Hanson when they want to enhance their management and performance skills. She brings fresh, timely, new ideas that help companies improve performance, grow sales and turn higher profits. As a business speaker, she can do the same for you.

For over 20 years, Linda Hanson has been speaking and consulting to associations and companies across North America. She is the founder of LLH

Enterprises based in Dallas, Texas and is considered an expert in performance improvement, specifically on marketing and sales issues.

Linda co-authored the book [10 Steps to Marketing Success: How to Jump-Start Your Marketing](#) and many of her articles have been published in major trade publications such as ConstructionPros, Contact magazine, Canadian Manager, the Journal of Strategic Management, and Sales and Marketing Excellence. She has also been interviewed by many radio stations and publications such as MSN bCentral, Newsweek Japan and Forum magazine.

All topics are customized to suit the unique needs of each client.....

People are saying....

““The insight into organizational development was not only timely, but offered insight to the many challenges of organizing, developing and implementing marketing programs. I look ahead with great enthusiasm to working with you in the future.”

National Healthcare Marketing Association

“Having a custom program designed specifically for Unocal’s requirements was a positive approach to our changing needs. The response was very positive.”

Unocal Corporation

“Your comments were informative and timely concerning the consequences of change, and our members felt it was a great program.”

Fort Bend Association of Realtors

“I was amazed at the amount of training that was accomplished in just one half-day session. This session was extremely helpful to all of us in our job positions.”

Minolta Business Systems, Inc.
